

# Activities Using Maps

*\*You can do the activities without a partner*

## 1. My Map - Practice asking for and giving directions.

- Draw a simple map of the centre of your town or city - add streets and names.
- Then draw eight places on your map, e.g. a library, shopping centre, cinema etc.
- Take it in turns to ask for and give directions from one place to another on your map.
- Use the Sentence frame below to help you create your directions.
